

25th CSAVA ANNUAL CONFERENCE

BVV Brno 30.9. - 1.10. 2017

Dear colleagues,

in the name of the Czech Small Animal Veterinary Association (CSAVA) it is a great pleasure to invite you to our **XXV. Annual Conference held 29th September – 1st October 2017.**

Last year the association changed dramatically the concept of its annual meetings and was honored with much positive response from the audience. We had more than 430 participants from Czechia, Slovakia and surrounding countries. We are very optimistic to offer again our colleagues from the surrounding countries a very attractive scientific program. Again, the conference venue will be in **Brno (in the expo area BVV)**. Brno is easily reachable from Austria, Slovakia, Hungary as well as from Poland.

All foreign speakers will have their lectures in English. That means at least three streams both days in English, including the nursing sessions!

We have invited real opinion makers in their field from five countries:

- Priv. Doc. Thomas Flegel (D)**- neurology
- Dr. Claudio Bussadori (IT)** – cardiology
- Prof. Eberhard Ludewig (AT)** – imaging
- Prof. Sibylle Kneissl (AT)**- imaging
- Dr. Jeniffer Ogeer (CND)**- urology
- Dr. Alex German (UK)** – gastroenterology
- Dr. Niko Pantchev (D)** - vector diseases
