# GROUP REGISTRATIONS

# DEAR COLLEAGUES AND FRIENDS FROM THE PET/VET INDUSTRY SECTOR,

**We are honored and humbled  
by your intention on group  
registrations.**

MEAVC responds to your request, by prioritizing the urge for acquiring knowledge and obtaining clinical skills at privileged reduced rates.

For this reason we are keeping a low fixed group registration fee during all registration periods, in order to either help you attend this milestone event with your friends from your clinic environment, University or the colleagues from your country and at the same time facilitate the sponsors to bring as many delegates as possible to experience this educational journey.

As we understand that the learning process is all about connection and creation of memories, we decided to offer tickets for the amazing MEAVC social program at reduced prices, as well.

Don't miss the opportunity to be a part of this open interactive and multinational educational platform!

**Note that the above stands for  
group registrations of more than  
10 people.**
